Criss Cross

Across: 2. burrow 4. snails 6. eggs

Down: 1. dark 2. bugs 3. light 5. spring 7. span

Cryptogram

Fireflies can often be seen flying over lawns and meadows at night.
It is fun to watch their yellow lights shine and flicker.

What Does It Say

Fireflies can be found on all continents except Antarctica.

Word Unscramble

beetles, dusk, signal, organ, flicker, shine, gloom, bugs
